Current Address: A/4, Jay swagat, Near sheetal nagar, Agashi road, Virar(west), Mumbai, PIN - 401303.

CAREER OBJECTIVE:

- A highly skilled Drupal Frontend Developer seeking a challenging position in a dynamic organization that can utilize my skills and experience to develop and maintain high-quality web applications.
- Skilled in developing responsive web designs for seamless user experience across Desktop, Tablet, and Mobile devices.
- Proficient in optimizing website performance with techniques such as minification, image compression, and caching to reduce load times.
- Good communication skills and ability to work collaboratively with team members, clients, and stakeholders.
- Develop HTML components. That is used across the application for code reusability and maintainability.

CAREER SUMMARY:

Highly motivated and experienced **Drupal Frontend Developer** with over **4years** of experience developing and maintaining web applications using Drupal CMS. I have a strong understanding of Drupal theming and front-end development, including **HTML, CSS, JavaScript, and jQuery**. I have experience working with responsive web design, mobile-first design principles, and cross-browser compatibility. I am highly organized, detail-oriented, and able to work independently and collaboratively as part of a team.

PRIMARY SKILLS:

Drupal	2.5 Years	Advanced
Bootstrap	3.0 Years	Intermediate
HTML	3.8 Years	Advanced
CSS	3.8 Years	Advanced
